

## MISSIONS SPOTLIGHT

Every week, we highlight one of our supported missionaries or missions organizations so you can know who we support and how you can pray for them.

### BRAD AND JOYCE HAZLETT PARTNERS RELIEF AND DEVELOPMENT

Brad and Joyce provide emergency basic and medical relief for persecuted and desperately suffering people. Partners Relief and Development's goal is: free, full lives for all children affected by conflict and oppression.

Please pray for Partner's work with the Rohingya and others in desperate, undisclosed, and dangerous locations. Top M. authorities and increased military and police presence continue to suppress and abuse the Rohingya through international food deprivation, blocking international aid, committing every form of persecution and abuse against them, destroying their homes and livelihoods, and denying them citizenship. Brad and Joyce continue to find alternative ways to help, but it has become more complicated and dangerous as security tightens and access to the camps becomes more difficult. Pray for wisdom as they try to help as many as possible with limited resources. Pray that the love of Christ will shine in a very dark and desperate situation. They are helping a small Christian community, poorly treated by the Muslim majority, and face even greater restrictions on food distributions and aid.
