

MISSIONS SPOTLIGHT

Every week, we highlight one of our supported missionaries or missions organizations so you can know who we support and how you can pray for them.

LARRY AND JAYME HOWER AVANT MINISTRIES—RETIRED

More than two billion people still need to hear the gospel. Since 1892, Avant Ministries has focused on planting and developing the church in the unreached areas of the world. Through church planting, church support ministries, media, education, camp and business, we hope to establish churches among the unreached: mature, nationally-led churches that desire to plant more churches, first in their own city, and then all over the world. Avant trains, sends and serves missionaries in over 30 countries globally. Avant defines "unreached" as places where less than two percent of the population is evangelical Christian.

Praise for witness, service and teaching opportunities, together with His amazing love for us and all He has done (and keeps doing) for us, give us continual reasons to worship Him. Praise for steady health for ourselves and for our family.
