

# MISSIONS SPOTLIGHT

Every week, we highlight one of our supported missionaries or missions organizations so you can know who we support and how you can pray for them.

## BROCK AND HEATHER HOWER *Avant Ministries*

Brock and Heather have served in Amealco, Queretaro, Mexico for 14 years. They started the first Bible Church in the area (Inglesia Biblica Manatial de Vida) and are currently in leadership development. This church is full of first generation believers whose lives are being changed by the Word of God! The Gospel is transforming individuals and their families. The church has a burden to reach out to their family, friends, and neighbors. The Howers also head up a ministry (Buscad Primero) to national church leaders. It's a holistic approach to ministry and life. They host families/couples throughout the year while encouraging them in their walk with the Lord and ministry. They also lead retreats throughout the year focusing on different themes each time.

Pray that God would continue to work in Amealco and that this church would continue to glorify Him! Pray for us as we discover God 's plan for the next few years.
